

Table of Contents

Introduction

Purpose of <i>Guide to Surveillance, Reporting and Control</i>	7
Organization of the Bureau of Communicable Disease Control	7
The Massachusetts Reportable Disease Surveillance System.....	9
Content of Each Disease Chapter	17
Other Reference Materials—	
How To Obtain Them.....	19
Contact Information—Bureau of Communicable Disease Control	20
Local Board of Health Reporting Timeline.....	21
Health Care Provider Reporting Timeline	23
Laboratory Reporting Timeline	25
Authorization for Access to Medical Records Memorandum.....	27

Diseases A-C

AIDS (<i>See Human Immunodeficiency Virus [HIV] and Acquired Immunodeficiency Syndrome [AIDS]</i>)	
Amebiasis	29
Amnesic Shellfish Poisoning (ASP) <i>(See Foodborne Poisonings & Toxicity)</i>	
Anthrax	41
Babesiosis	52
Bacterial Dysentery (<i>See Shigellosis</i>)	
Bangs Disease (<i>See Brucellosis</i>)	
Botulism.....	61
Breakbone Fever (<i>See Dengue</i>)	
Brucellosis	73
Bubonic Plague (<i>See Plague</i>)	
Campylobacter Enteritis.....	85
Canicola Fever (<i>See Leptospirosis</i>)	
Chancroid (<i>See Sexually Transmitted Diseases</i>)	
Chickenpox and Shingles.....	97
Chlamydial Infections (genital) (<i>See Sexually Transmitted Diseases</i>)	
Cholera	132

Ciguatera (*See Foodborne Poisonings & Toxicity*)

Coronavirus (*See Severe Acute Respiratory Syndrome [SARS]*)

Creutzfeldt-Jakob Disease (CJD) (*See Prion Diseases*)

Crimean Congo Fever (*See Viral Hemorrhagic Fevers*)

Cryptosporidiosis

Cyclosporiasis

Diseases D-G

Deer-fly Fever (<i>See Tularemia</i>)	
Dengue	166
Dengue Hemorrhagic Fever (<i>See Dengue</i>)	
Diphtheria	175
<i>E. coli</i> O157:H7 (<i>See Escherichia coli O157:H7</i>)	
Eastern Equine Encephalitis (EEE)	194
Ebola (<i>See Viral Hemorrhagic Fevers</i>)	
Ehrlichiosis	204
Encephalitis (Non-Arboviral)	213
Enteric Fever (<i>See Typhoid Fever</i>)	
Enterohemorrhagic <i>E. coli</i> (EHEC) <i>(See Shiga Toxin-Producing Organisms)</i>	
<i>Escherichia coli</i> O157:H7	221
Fatal Familial Insomnia (FFI) (<i>See Prion Diseases</i>)	
Foodborne Poisonings and Toxicity	233
Francis Disease (<i>See Tularemia</i>)	
GAS (<i>See Group A Streptococcus [Invasive]</i>)	
German Measles (<i>See Rubella</i>)	
Gerstmann-Straussler-Scheinker Disease <i>(See Prion Diseases)</i>	
Giardiasis	246
Gonorrhea (<i>See Sexually Transmitted Diseases</i>)	
Granuloma Inguinale (<i>See Sexually Transmitted Diseases</i>)	
Group A Streptococcus	258
Group B Streptococcus	267
Guillain-Barré Syndrome	274
Guanarito Fever (<i>See Viral Hemorrhagic Fevers</i>)	

Diseases H-K

<i>Haemophilus influenzae</i> (Invasive).....	281
Hansens's Disease	295
Hantavirus	303
Hemolytic Uremic Syndrome (HUS)	312
Hemorrhagic Jaundice (<i>See Leptospirosis</i>)	
Herpes, Neonatal (onset within 30 days after birth) (<i>See Sexually Transmitted Diseases</i>)	
Herpes Zoster (<i>See Chickenpox and Shingles</i>)	
Hepatitis A.....	328
Hepatitis B.....	345
Hepatitis C.....	373
Hepatitis, Infectious, Other.....	390
HIV (<i>See Human Immunodeficiency Virus [HIV] & Acquired Immunodeficiency Syndrome [AIDS]</i>)	
Human Immunodeficiency Virus (HIV) and Acquired Immunodeficiency Syndrome (AIDS)	399
HUS (<i>See Hemolytic Uremic Syndrome</i>)	
Hydrophobia (<i>See Rabies</i>)	
Infantile Paralysis (<i>See Poliomyelitis</i>)	
Influenza	406
Junin Fever (<i>See Viral Hemorrhagic Fevers</i>)	
Kuru (<i>See Prion Diseases</i>)	

Diseases L-O

Lassa Fever (<i>See Viral Hemorrhagic Fevers</i>)	
Legionnaires' Disease (<i>See Legionellosis</i>)	
Legionellosis	430
Leprosy (<i>See Hansen's Disease</i>)	
Leptospirosis	438
Listeriosis	447
Lockjaw (<i>See Tetanus</i>)	
Lyme Disease.....	457
Lymphogranuloma Venereum (<i>See Sexually Transmitted Diseases</i>)	
Lyssa (<i>See Rabies [Human & Animal]</i>)	
Machupo Fever (<i>See Viral Hemorrhagic Fevers</i>)	
Malaria.....	469
Malignant Pustule (<i>See Anthrax</i>)	
Malta Fever (<i>See Brucellosis</i>)	
Marburg Fever (<i>See Viral Hemorrhagic Fevers</i>)	

Measles477

Mediterranean Fever (<i>See Brucellosis</i>)	
Meningitis, General	508
Meningitis, Viral ("Aseptic")	517
Meningococcal Infection (Invasive)	525
Meningococcemia (<i>See Meningococcal Infection [Invasive]</i>)	
Monkeypox	541
Mud Fever (<i>See Leptospirosis</i>)	
Mumps	551
Mushroom Toxin (<i>See Foodborne Poisonings & Toxicity</i>)	
<i>Neisseria meningitidis</i> (<i>See Meningococcal Infection [Invasive]</i>)	
Non-A Non-B Hepatitis (<i>See Hepatitis C</i>)	
Norovirus and Other Caliciviruses	570
Norwalk/Norwalk-like Virus (<i>See Noroviruses & Other Caliciviruses</i>)	
Ohara Disease (<i>See Tularemia</i>)	
Ophthalmia Neonatorum (<i>See Sexually Transmitted Diseases</i>)	
Ornithosis (<i>See Psittacosis</i>)	

Diseases P-R

Paralytic Shellfish Poisoning (PSP) (<i>See Foodborne Poisonings & Toxicity</i>)	
Parrot Fever (<i>See Psittacosis</i>)	
Pelvic Inflammatory Disease (PID) (<i>See Sexually Transmitted Diseases</i>)	
Pestis (<i>See Plague</i>)	
Pertussis.....	581
Plague	623
Pneumonic Plague (<i>See Plague</i>)	
Poliomyelitis.....	632
Polioviral Fever (<i>See Poliomyelitis</i>)	
Pontiac Fever (<i>See Legionellosis</i>)	
Prion Diseases.....	645
Psittacosis	654
Q Fever	663
Query Fever (<i>See Q Fever</i>)	
Rabbit Fever (<i>See Tularemia</i>)	
Rabies (Human and Animal)	671
Reye Syndrome.....	684
Rheumatic Fever.....	691
Rickettsialpox.....	699

Rift Valley Fever (<i>See Viral Hemorrhagic Fevers</i>)	
Rocky Mountain Spotted Fever	706
Rubella.....	715
Diseases S-Z	
Sabia Fever (<i>See Viral Hemorrhagic Fevers</i>)	
<i>Salmonella typhi</i> (<i>See Typhoid Fever</i>)	
Salmonellosis (Non-Typhoid)	748
Scombroid (<i>See Foodborne Poisonings & Toxicity</i>)	
Severe Acute Respiratory Disorder (SARS)	760
Sexually Transmitted Diseases	769
Shiga Toxin-Producing Organisms.....	787
Shigellosis	797
Shingles (<i>See Chickenpox and Shingles</i>)	
Smallpox	809
Streptococcus (<i>See Group A or Group B streptococcus</i>)	
<i>Streptococcus pneumoniae</i> (Invasive Disease)	819
Swineherd Fever (<i>See Leptospirosis</i>)	
Syphilis (<i>See Sexually Transmitted Diseases</i>)	
Tetanus.....	831
Tetrodotoxin (<i>See Foodborne Poisonings & Toxicity</i>)	

Tick-borne Meningopolyneuritis (<i>See Lyme Disease</i>)	
Toxic Shock Syndrome	841
Toxoplasmosis.....	850
Trichinellosis (<i>See Trichinosis</i>)	
Trichinosis	859
Tuberculosis.....	869
Tularemia	879
Typhoid Fever	891
Undulant Fever (<i>See Brucellosis</i>)	
Variant CJD (vCJD) (<i>See Prion Diseases</i>)	
Varicella (<i>See Chickenpox and Shingles</i>)	
Variola (<i>See Smallpox</i>)	
Vesicular Rickettsiosis (<i>See Rickettsialpox</i>)	
Viral Hemorrhagic Fevers.....	904
Weil Disease (<i>See Leptospirosis</i>)	
West Nile Virus	912
Whooping Cough (<i>See Pertussis</i>)	
Woolsorter's Disease (<i>See Anthrax</i>)	
Yellow Fever Virus	923
Yersiniosis.....	932
Glossary	943
